6th Grade Music Elective 2020-2021

Dear Parents,

The scheduling process for the 2019-2020 school year has now begun. The sixth grade schedule is similar to the fifth grade schedule but with greater emphasis placed upon students exploring Music, Technology, Physical Education, Family Consumer Science and Art. Students in the 6th grade have two full periods of elective courses each day with one being devoted to music education (**daily in the 6th grade**). Please keep in mind when completing the selection sheet below that you **MUST** select one music course to take during the sixth grade and that there will be no parent information meeting scheduled about the sixth grade registration process. Please detach and return the form to your child's homeroom teacher no later than **February 14th, 2020**. If you have any questions regarding the sixth grade schedule or the registration process please contact the School Counselor Sarah Pavicic at 440-617-7600.

Sincerely,
